

\$564,190,000 ADDED TO LIBERTY LOAN

New York Needs \$56,000,000
a Day to Reach Its
Quota.

FIREMEN'S DAY IN DRIVE

German Helmet Sold Again to
Wall Street Men and Total
Reaches \$250,000.

Indications of the "Garrison Club" which has been predicted for the final six days of the Liberty Loan campaign in this district began to appear in the returns yesterday, when \$564,190,000 was added to the nation's total of \$1,178,577,010, which was declared subscribed at the close of business on Saturday.

Of this amount, however, the Borough of Manhattan supplied only \$73,941,576, leaving it with \$345,067,000 subscribed of its quota of \$418,794,000. This means that it has met but 82 per cent. of its quota, which was declared in next "come through" to the tune of more than \$45,000,000 per day for the balance of the loan drive if it is to hold its head up before the end of the campaign.

New York as a whole has come up to only 57 per cent. of its quota. Queens leading the lists with 161 per cent. of its quota, subscribed in excess of its quota by 130 per cent., Brooklyn with 69 per cent., and the Bronx trailing with but 48.

Five million nine hundred and sixty-eight thousand and three hundred dollars must be raised daily by the entire district in order to reach its quota of \$900,000,000 of the \$3,000,000,000 of the total loan.

RUSSIA NOW NEARS GRAVE NEW CRISIS

Germany Threatens Seizure of
Petrograd if Demands Are
Not Complied With.

HITCH IS OVER PRISONERS

Governmental Conditions in
Haze of Uncertainty as Ber-
lin Becomes Insistent.

LONDON, April 29.—Events in Russia apparently are tending toward a crisis of the most profound import. The status of affairs in the former empire still is far from clear, but it seems certain that the Russian revolution is not far from being a fait accompli. The reported current revolution is not confirmed here but it seems that there is an under current of unrest fraught with great possibilities.

The best evidence of the seriousness of conditions there comes from Germany, which has presented a demand for an exchange of prisoners, threatening to stop the release of German prisoners unless the Russian government is not complied with. Germany calls for the immediate release of all German prisoners who are in good health, care of the sick and wounded, and in return, offers the release by Germany of all Russian prisoners who are ill or incapacitated. Berlin is said to be sending to the Russian government a demand of 115 persons to present its demands.

The newest Russian Government in Petrograd, according to the Associated Press, has received a dispatch from the Russian government, which has denounced the Brest-Litovsk treaty with Germany. It calls for a new treaty with Estonia and Latvia, and says it is in a position to offer the release of German prisoners.

A dispatch from Reuters' correspondent in Petrograd dated Wednesday, April 24, and received today, contains a series of changes in the Russian Government.

Gen. Count von Mirbach, the newly appointed German Ambassador to Russia, has been received in Petrograd. He is said to be in a position to offer the release of German prisoners.

The audiences at the Palace Theatre Saturday night and Sunday bought \$92,000 worth of Liberty bonds, making the total for the Palace \$1,851,000. The Riverside Theatre forced ahead, with \$1,854,000 of sales recorded.

Reports have been received from seventy-two houses devoted to dramatic, musical and theatrical entertainments, the Lamba, Green Room and Three Arts clubs, and the Woman's War Relief.
